MAGNETIC FLOOR SWEEPERS

A-SERIES — Heavy Duty Sweeper

VIBRA® Powerful Magnetic Floor Sweeper with quick-release handle is designed for fast, efficient collection of ferrous debris — nails, screws and metal fragments. Picks up to 3 kg of 8-penny nails (approx. 600 pieces) in a single pass, giving excellent coverage for workshops, warehouses, loading bays and construction areas.

KEY BENEFITS

- Easy debris release by pulling back the release handle
- Powerful magnetic strength
- Strong, durable construction
- Easy one-step release for quick disposal

QUICK-LOAD RELEASE LEVER

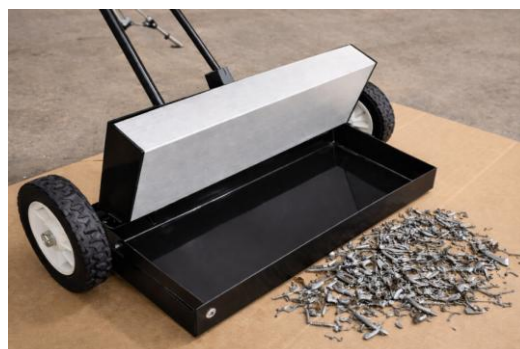

Push the sweeper to the desired dumping area and pull the lever — the magnetic tray tilts open for instant, hands-free debris disposal.

SPECIFICATIONS

Model	Magnet Surface Dimension	Overall Width	Holding Capacity
440-VMS14A	14" x 5"	20"	Max 25 kg
440-VMS24A	24" x 5"	30"	Max 35 kg
440-VMS36A	36" x 5"	—	—

Handle: 48" sturdy steel handle for comfortable operation | Wheels: 6" diameter rubber wheels for smooth movement

REAL-WORLD APPLICATION

Tilt-release tray in action — debris empties cleanly with a single pull of the lever.

MAGNETIC FLOOR SWEEPERS

M-SERIES — Standard Duty Sweeper

VIBRA® Powerful Magnetic Floor Sweeper with quick-release handle is a fast, efficient way to collect nails, screws, staples and scrap steel from shop floors, walkways, driveways, construction sites and other areas. One sweep reduces tyre repair and downtime costs, and eliminates safety hazards.

KEY BENEFITS

- Powerful magnetic force
- Heavy-duty 7" wheels for smooth movement
- Comfortable soft-grip handle for easy handling
- Easy-release handle for simple operation
- Easy one-step quick release

PULL-UP RELEASE HANDLE

Simply pull up the release handle at the top of the magnet to instantly drop the collected debris — no tools, no mess.

SPECIFICATIONS

Model	Magnet Surface Dimension	Overall Width	Holding Capacity
440-VMS18M	18" x 3"	22 1/2"	Max 15 kg
440-VMS24M	24" x 3"	29"	Max 18 kg
440-VMS30M	30" x 3"	34"	Max 21 kg
440-VMS36M	36" x 3"	40"	Max 23 kg

Wheels: heavy-duty 7" wheels | Handle: comfortable soft-grip handle, adjustable length

REAL-WORLD APPLICATION

One-step release handle lets you drop collected debris exactly where you want it.

MAGNETIC FLOOR SWEEPERS

L-SERIES — Compact Sweeper

VIBRA® Powerful Magnetic Floor Sweeper with quick-release handle is a fast, efficient way to collect nails, screws, staples and scrap steel from shop floors, walkways, driveways, construction sites and other areas — in a compact, single-handed, portable size.

KEY BENEFITS

- Fast pickup of nails, screws and metal debris
- Easy one-step quick release
- Strong and reliable magnetic holding force
- Reduces cleaning time and labour cost
- Low maintenance, long service life

PULL UP TO RELEASE

Pull up the release handle to instantly drop the collected debris — lightweight and ideal for quick spot clean-ups.

SPECIFICATIONS

Model	Magnet Surface Dimension	Overall Width	Holding Capacity
440-VMS11.5L	11.5" x 1.8"	15"	Max 6 kg

Compact frame with telescopic handle — ideal for garages, small workshops and DIY use.

REAL-WORLD APPLICATION

Compact and lightweight — picks up nails, screws and washers in a single pass.
